

EXPERIENCE

- 7/2007 - Present **Freelance Graphic Artist | Profulgent Technology, Inc. | Perth Amboy, NJ**
A regular client, Profulgent has requested me to create websites, brand identity, and consulting for their individual needs.
- 10/2005 - Present **Graphic Consultant / Designer | Top8Magic.com | New York, NY**
I collaborated with a couple of artists in developing Top8's website. I am still creating odd & end graphics for them, including logos and splash pages.
- 8/2005 - Present **Senior Biller | Port Newark Container Terminal | Port Newark, NJ**
At PNCT, I create invoices for specific procedures that occur at the port. I am also responsible for archiving past invoices dating back to 2004, and keeping it updated.
- 2/2003 - 5/2007 **Webmaster / Graphic Artist | Dato Clothing Inc. | North Brunswick, NJ**
I overhauled the existing company website, and assisted Dato with T-Shirt comps. I ended up having a couple of my designs on the T-Shirts.
- 7/2003 - 10/2005 **Web Developer / Graphic Artist | Sara Nicole Clothing | Queens, NY**
I assisted with the company website, and produced T-Shirt comps.
- 8/2002 - 7/2005 **Webmaster / Lead Graphic Artist | Micro Innovations, Inc. | Edison, NJ**
I created & maintained the company website, took care of everyday duties such as photo retouching, shooting product photos, creating PowerPoint & Flash presentations for the Sales Team, collaborated with the advertising agency to develop the company's product packaging / identity. I also met with clients such as HP, Compaq, IBM, Nickelodeon & Crayola concerning their product's look and feel, as well as designing proofs for the tooling of the products.
- 7/1999 - 2/2005 **Freelance Graphic Artist / Webmaster | Central Jersey Skateshop | Edison, NJ**
I built the website for CJS, and continued to work closely with them, including designing logos, T-Shirts and skateboard graphics.
- 3/1999 - 7/2001 **Webmaster / Graphic Artist | Chroma Computers, Inc. | Piscataway, NJ**
At Chroma, we specialized in the creation & development of smaller business' websites, although we did work with some larger companies as well. I also assisted with the graphics for the Lucent Technologies Intranet design.
